

## GAMME TRADITION

# Ratafia

Ratafia is a sweet alcoholic drink obtained by mixing fresh grape must and alcohol. It offers a sweet aromatic richness such as pear, apple and honey. It offers a slightly spicy finish.

## TASTING

Bright amber yellow color.

Almond paste, pastries and brioche.

A bouquet of sugary and sweet aromas. Its round, silky mouth which plumes nice suavity and pleasant liveliness leaves an impression of freshness.

This wine is appreciated as an aperitif or with soft cheese: brie, coulommiers, chaource. Amazing in the kitchen to deglaze a sauce or even flavor pancakes. Finally, it is an original basis for the cocktails elaboration.
